

Vadodara Chapter of SPG and APG organize a one day workshop on Team Building

Vadodara chapter of SPG took an initiative to conduct a one day workshop on team building for young geoscientists on 18th October, 2014. The program was conducted in association with Vadodara chapter of APG. The event was thankfully sponsored by Western Onshore, ONGC, Vadodara. It was attended by younger members of SPG & APG and they participated enthusiastically. It was so educative & successful that in the valedictory function several of the participants told that they have never attended such a wonderfully different program before. The speaker/trainer was Mr Deepak Verma, Asstt Manager at TCS, Gandhinagar. SPG is grateful to Mr Deepak Verma as he obliged SPG without any remuneration and also travelled to Vadodara on his own. It generated so much interest that others who could not attend requested to arrange such program again.

The workshop was declared open by Mr G C Katiyar, Patron, SPG, Vadodara chapter and ED-Basin Manager, Western Onshore, ONGC, Vadodara. Mr Arun Kumar, Vice President, SPG, Vadodara chapter, Mr P R Mishra, Secretary, APG, Vadodara chapter & Mr K P Singh, Secretary, SPG, Vadodara chapter were also present. The valedictory function was attended by Mr U S D Pandey, President, SPG, Vadodara chapter who also did the honours by distributing the certificates to participants.

Inaugural Function

Faculty Mr Deepak Verma being felicitated by Mr G C Katiyar
