

## SPG-India Showcases its Activities at SPWLA-2017

SPG India has been participating in various conferences of national & International level like APG, Petrotech, SEG, EAGE & ASEG etc. In the recently concluded SPWLA-India Symposium & Exhibition 2017 held during Feb 11-12, 2017 at NHP Green Heights, BKC, ONGC, Mumbai with the theme Petrophysics: Solutions Through Integration. Shri C. Visweswara Rao, GM(GP)-HGS, Dehradun manned the SPG booth at SPWLA 2017. The prime objective of participating in these conferences is to spread and promote the functioning of SPG India, its contribution to the development of Geosciences through its year round technical activities of the local chapters, publication of various technical papers in its journal "Geohorizons" and biennial International Conference & Expositions being held in India.

Director (E), ONGC & Patron, SPG, India visited the SPG booth with Dr. Luis Quintero, President, SPWLA, Shri R K Pandey, President, SPWLA, India Shri G C Katiyar, President, SPG, India & Shri Chaman Singh, ED, ONGC. They were explained about the forthcoming SPG Conference to be held in Nov 2017 at Jaipur. Patron, SPG, India appreciated the efforts of SPG in furthering the cause and awareness of petroleum geosciences in the region by the way of organising technical lectures, workshops, annual technical meets and field trips.

The response of the visitors in the SPG India stall at the SPWLA Symposium & Exhibition was quite encouraging. The visitors showed keen interest in get to know about SPG and its activities which were aptly explained through different

posters showcased at SPG stall. Most of the visitors were from professionals from industries, E & P Companies, University faculties, students and business managers.

Many renowned geoscientists like Shri U. S. D. Pandey, ED-CGS, ONGC and Shri AK Vinod, Head Specialist Group, ONGC and other visitors along-with SPG members have shown interest in the expanding activities of the SPG and were keen to know about the developments and proceedings of SPG forthcoming conference "Jaipur-2017".

The business cards and contact details of several dignitaries who visited the SPG India stall were collected and recorded in the book to facilitate further interaction with industry professionals. Overall it was an enriching experience to represent the society and be a part of such eminent gathering coming on a common platform to share the ideas.
