

## President's Page

It is my immense pleasure to address the fellow SPG members, authors, delegates, speakers, sponsors, exhibitors and invitees from India and abroad on the eve of the 12th Biennial International Conference & Exposition, christened as “Jaipur 2017” being organized by Society of Exploration Geophysicists (SPG), India, during 17-19 December 2017, with the theme “Energy Through Synergy”.

It is promising to share with you that Society of Petroleum Geophysicists (SPG), India being a platform for promoting excellence through knowledge sharing among geoscientists and showcasing leading edge technologies, has completed 25 years successfully to celebrate its Silver Jubilee this year.

I hope all the topics covered in this issue of GEOHORIZONS will help in spreading knowledge and understating the problems for arriving at meaningful conclusions. I personally thank the contributors and looking forward for more contributions for the future issues of GEOHORIZONS.

Being a major biennial event in Asian region being organized with the aim to provide a forum to discuss and showcase technology applications in the field of petroleum geophysic sand to enhance interaction amongst sister societies, both national and international, “Jaipur-2017”, is also supported by Society of Exploration Geophysicists (SEG), USA, European Association of Geoscientists and Engineers (EAGE), Netherlands and Australian Society of Exploration Geophysicists (ASEG).

I am delighted to express my heartfelt gratitude for the overwhelming response to the call for papers for “Jaipur 2017”. I am pleased to share with you that during “Jaipur-2017” you will be enjoying the benefits of different technical sessions, Pre-and Post-conference Continuing Education courses, business programmers, exposition and the traditional hospitality of SPG-India as well.

It is heartening to see your active participation in all the programs of SPG-India.

I, once again invite all of you to “Jaipur-2017” and be part of SPG-India's endeavor for achieving “Energy Through Synergy”.

Looking forward to meet you at Jaipur, the pink city of India during “Jaipur-2017”.
