

## SPG-Student Chapter Nanded Organises Guest Lecture on 'Petroleum Exploration'

A guest lecture on Petroleum Exploration by Dr. P.B.K. Sharma, DGM (Retd.) ONGC was organized by SPG Student Chapter, SRTM University Nanded on March 19, 2017 which was attended by large no. of students and faculty. Prof. S.K.G. Krishnamacharyulu, Director, School of Earth Sciences gave a brief introduction of Dr. P.B.K. Sharma to audience.

Dr. Sharma explained about different methods involved in exploration, elements of petroleum prospecting and logging. He shared many experiences and live examples and his lecture was well received by the audience. The lecture inspired the young minds and students expressed their happiness. The vote of thanks has given by the Secretary, SPG student Chapter, SRTM University, Nanded.

## SPG-IIT Kharagpur-Student Chapter Organises 'Prithvi 2017'

Prithvi is largest symposium of Earth Science in India with participations from over 100 Universities and colleges all over the country. It is an endeavour to motivate the youth in the field of Geo-Sciences by providing them a platform to showcase their talents and skills in fierce competitions, display cutting edge technologies and new areas of research from all over the globe.

IIT Kharagpur Student Chapters of the Society of Exploration Geophysicists (SEG) in association with the American

Association of Petroleum Geologists (AAPG) and the **Society of Petroleum Geophysicists (SPG)**, along with the students of the Department of Geology and Geophysics of the Institute, organized the 9<sup>th</sup> edition of "Prithvi" on "**Contemporary Geosciences-Its Future Implication**" which was held from 17<sup>th</sup> to 19<sup>th</sup> March, 2017, with all new challenging competitions, workshops, exhibitions and guest lectures focusing on exploration and various earth science fronts.

Technical workshops on "Prospects of Atomic Energy" & "4D Seismic" were conducted during the event. Following Guest lectures by the professionals from E&P companies were also conducted during "Prithvi 2017":

1. "Seismic in the gamut of Hydrocarbon Exploration & production: an API overview" by Shri Pulak Kumar Bera, DY. SG(S), ONGC, Jorhat
2. "Petrophysics in the 21<sup>st</sup> Century": More important than ever" by Shri Udit Guru, Advisor-Petrophysics, Schlumberger
3. "Evaluation of a mineral resource, Bunder Diamond Project- A case study" by Shri Hrishikesh Das, Sr. Geologist, Geovale Services

Prithvi 2017 was a huge success. The event well appreciated by the all the participants.
