

SPG, BHU Chapter organized an event called 'RUN BARRY RUN' on 2nd July 2022

The SPG student chapter of Banaras Hindu University (BHU) successfully organized an event called **"RUN BARRY RUN"** which was a race-cum-puzzle solving event on 2nd July, 2022 and was inaugurated by honorable Prof. Rajeev Bhatla, head of department of geophysics, BHU. The participants were from the earth sciences as well as from the non-earth sciences background from various departments such as the department of geology (BHU), geography (BHU), geophysics (BHU), faculty of arts (BHU) and from IIT (Indian School of Mines, ISM) Dhanbad, as well. There was both individual and team participation, in which each team was allowed to have a maximum of two members.

Online posters at various social sites of SPG, BHU were released, and registration was made through google forms.

In this event the participants were supposed to run on a track provided to them and on each track some earth science questions were placed. They were supposed to solve the questions and complete the race. The winner was declared on the basis of the maximum number of correct answers given in the shortest period of time. The facilitation to the winner was done on 4th July 2022 by the SPG-BHU faculty and co-faculty advisor Prof. Uma Shankar and Dr. Rohtash Kumar respectively.

There was a total of five rounds and each round had a winner, from which the final three winners were declared. All attendees were also provided with participation certificates. The first prize position was awarded to Ajay Dubey from BHU, the second position to Arpit Kumar Maurya from IIT (ISM), Dhanbad, and the third to team Amigos from department of geology (BHU).

Some glimpses from 'RUN-BARRY-RUN' are depicted below. [G](#)
