

# SPG Mumbai Chapter organises CE-21 course on “Project Management”

Mumbai Chapter of Society of Petroleum Geophysicists, (India) organized a post conference Continuing Education course (CE-21) during SPG's 10th Biennial International Conference and Exposition Kochi-2013 on “Project Management” by Dr. Ravi Iyer, from The Davis Group, Davis, California, USA at Hotel Orchid, Mumbai on 27th November, 2013.

Shri R.D. Bapat, GM (GP), ONGC Mumbai introduced Dr. Ravi Iyer to the participants. Twenty two participants from different work centres of ONGC and GSPC attended the

course. Dr. Iyer explained to the participants how to successfully develop & Manage Projects & Ventures. He said that Developing Project and Ventures and managing them are an Art and a Science. It is imperative to have an experienced Project Manager to lead and corral the efforts of the Team. He equated the Project Manager to “The conductor of the orchestra”.

Dr. S. Chandrasekhar, GM(GP), ONGC and Vice-President, SPG, Mumbai Chapter thanked Dr. Iyer for his enlightening talk and presented a memento to Dr. Ravi Iyer.
