

Maiden Vist of SPG-India President to Dehradun

Shri G.C. Katiyar, ED-Basin Manager, Western Offshore Basin, Mumbai, ONGC assumed the office of President of Society of Petroleum Geophysicists-India, on 06-04-2015 and came to Dehradun on 15-08-2015 on his maiden visit. He was welcomed by the Executive committee of SPG-India at SPG office. SPG-India was introduced to him by SPG-India Secretary, Shri K.M. Shukla. He presided the meeting and expressed that he has been bestowed with this responsibility by the selection committee at a very crucial stage, as we are aware SPG has announced schedule of 11th International Conference & Exhibition - Jaipur 2015, to be held during 4-6 December, 2015 at Jaipur. Quoting that he time available for the successful and effective organization of the ensuing conference is very short President expressed confidence that

the task can be fulfilled successfully with the cooperation of the Executive body. He stressed the need that all the G&G fraternity should inculcate the habit of writing good quality technical papers to highlight their work in their respective area of expertise, and knowledge sharing on platforms provided by SPG and its sister societies. He said "I take this opportunity to request my younger members in particular to contribute towards quality technical papers with guidance from the more experienced peers". He also acknowledged that all the previous ten international conferences hosted by SPG-India have seen tremendous success, which have been appreciated by the international E&P industry for meticulous planning and organization. The credit goes to previous Presidents and untiring efforts of the organizing teams, he said.
