

SPG at EAGE Conference

SPG-India has participated in 74th EAGE Conference & Exhibition incorporating SPE EUROPEC 2012 in Copenhagen, Denmark during 4-7 June 2012. Two SPG executives, Mr. K M Shukla, Secretary SPG-India and Mr. K P Singh secretary SPG Vadodara attended the exhibition and managed the stall of SPG to showcase its activities and role in promoting the geoscience through its various programs. Large number of people have visited the stall and showed keen interest in functioning of SPG-India and its publication "GEHORIZONS". The esteemed visitors include the President SPE, EAGE and ASEG. Visitors were also students

and faculties from universities and professionals from E&P companies, including Director from AAPG, Executive Director from SEG and President of Bulgarian Academy of Sciences.

Presence of SPG India in international conference has show cased its activities and future events in India. There were enquiries about its forth coming conference and workshops. People shared their experiences from visits in SPG's events and conferences in India.
