

# SPG Student Chapter ISM Dhanbad, Organises a Guest Lecture on “SEISMIC MIGRATION”

A guest lecture was organised by the SPG ISM Student Chapter on 09.01.2015. It was focused mainly on “Seismic Migration”- an important step in seismic data processing. Mr. Subhendu Dutta, Deputy General Manager-Geophysics, Head -Regional Computer Center, ONGC Kolkata was the distinguished guest lecturer. He delivered a wonderful lecture starting from the basics to the latest technologies used in Migration. The lecture was followed by student-teacher interaction. The response of the students was overwhelming. Besides academic beneficiary, it has helped students to

interact with the professionals and learn from them the latest industry standard in seismic data processing especially in migration.

The event was organised with active support of Mr. Supriyo Paul, Ms. Shweta Pandey, Mr. Gulshan Kumar and Mr. Brij Bhushan Singh (respectively Vice President, Secretary, Treasurer and Event Manager, SPG ISM Chapter).

Mr. S. Dutta is delivering the lecture and sharing his experience with the young minds at ISM Dhanbad

The Guest along with the Faculty and Students
