

SPG Student Chapter ISM Dhanbad Organises a Guest Lecture on “Reservoir Geophysics” and “Controlled Source-Audio Magnetotellurics”

On 18th of January, 2015, SPG India, ISM Student Chapter organised two consecutive lectures for the students of Indian School of Mines, Dhanbad. The 1st lecture was delivered by Mr. Tanmaya Bhanja from IRS, ONGC Ahmedabad on “Reservoir Geophysics”. The lecture comprises of various properties of the reservoir, its characterization and different case studies were discussed at length. The Lecture was very enthusiastic and helpful for the young minds.
