

## **Dear Short listed Participants,**

Congratulations once again on being selected for Phase 2 of the SPG–SLB Hackathon 2025!

We are excited to welcome you to the next round, which will be held in Jaipur as an in-person event. Please find below the complete details, guidelines, and agenda for the session.

### **Event Details**

Date: 25th October 2025 (Saturday)

Time: 08:00 hrs to 15:00 hrs

Venue: Jaipur Exhibition and Convention Centre (JECC), Jaipur

Registration Starts: 07:30 AM

(Please carry a valid ID card at the time of registration.)

### **Objective of Phase 2**

Phase 2 of the hackathon is designed to encourage:

Collaboration and teamwork

Knowledge sharing and innovation

Networking among participants and experts

Awareness of real-world AI/ML and Geosciences applications

This round will be highly interactive and focused on learning through practical problem-solving.

### **Event Format & Rules**

Teams will be reshuffled at the start of the event.

A new problem statement and dataset will be provided on the same day.

All necessary instructions and evaluation criteria will be shared during the introduction session.

Teams must collaboratively solve the given challenge within the specified time.

The team achieving the highest score based on innovation, accuracy, and presentation will be declared the winner.

Participants must be present for the entire duration of the event and will not be able to attend any other sessions concurrently. If you are already enrolled for some other activity on the same day, then you have to select one of the activities for participation.

**Requirements**

Please bring your own laptop, charger, and any other required hardware.

The Dataiku platform will be provided for use during the hackathon.

Ensure your system is ready for smooth participation (updated browser, power backup if needed).

**Agenda**

It will be shared shortly separately in this group.

**Final Note**

Phase 2 will be a fun, collaborative, and intellectually stimulating experience filled with learning and networking opportunities.

We look forward to your enthusiastic participation and making this event a grand success together!

Participants unable to join Phase 2 are requested to kindly inform us in this group at the earliest, so that teams on the reserve list can be accommodated accordingly.

**Regards,**

**Team SPG SLB Hackathon**
